Dear Providers,

Did you know that ACS offers a free software application that allows your office to submit claims electronically? The software, WINASAP 2003, allows electronic claims submission in the HIPAA compliant X12-837 format. All you need is a personal computer with a modem and a telephone line. The software can be downloaded in approximately five (5) minutes from the ACS EDI website, <http://www.acs-gcro.com/>. With minimal set up, you can be ready to submit claims in 10 minutes. This application can be used for all claim types, including UB-04, CMS-1500 and the ADA Dental claim forms.

The WINASAP 2003 software is a dynamic billing tool that allows you to submit your electronic claim files more effectively. Here are some of the many features and benefits of using the WINASAP 2003 software:

- WINASAP 2003 is a free, Windows-based software application.
- This software is applicable for CMS-1500, UB-92 and Dental claim submissions.
- WINASAP 2003 allows claims to be submitted individually or in batch format.
- Acceptance and Rejection Reports may be generated within 24 hours of submission.
- WINASAP 2003 version 5.16 allows you to purge, backup and restore claim files to and from the software database. These functions can be found under the Tools drop-down menu.
- WINASAP 2003 allows you to perform instant database repair functions that will fix any corrupted database file. These database repair functions can be found in the Tools drop down menu.
- The software will allow you to save all Trading Partner\Submitter ID, provider and member information into the software database, allowing you to quickly generate claim submissions, without repeat entries.

Now that you know what WINASAP's efficient and easy to use submission functions can bring to your billing office, it's time to put some of these features to work for you. Remember, this software is free and can be easily downloaded to your PC. Learn more about this product and how it can help your office. Register for WINASAP training scheduled for October 15, 2009 at 10 a.m. or October 30, 2009 at 10 a.m.
